Buy a ticket before you board

You need to buy a valid ticket before you get on your train.

We know that most of our passengers do this before travelling, and we have a duty to those passengers to make sure no-one travels without paying. This is why we run a penalty-fares scheme across most of our network.

If you travel without a valid ticket to or from a station within the penalty-fares area, you may have to pay a penalty fare of £20 or twice the single fare to the next station your train stops at (whichever is higher). You will also have to buy a ticket for the rest of your journey.

We have a policy to, wherever possible, prosecute everyone who deliberately avoids paying.

Changes to train times

Network Rail need to do engineering work to maintain and improve the rail network. They do a lot of this work at weekends and during holiday periods, but they also need to do some work overnight during the week.

If we need to close rail lines so Network Rail can carry out work, buses will replace train services. We may also have to alter train services over a wider area.

Please check for any changes to train times before travelling at weekends, late in the evening or early in the morning.

Look for the 'Changes to train times' posters at stations, or visit our website at **[southwesternrailway.com](https://www.southwesternrailway.com)**.

No-smoking policy

For the comfort of all our customers, smoking and using e-cigarettes is not allowed on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.

Catering services

Our contractors, Elior, provide a refreshments trolley on some of our trains. The  symbol in the following timetable shows which trains have a refreshments trolley for all or part of the journey.

We will do our best to provide the refreshments trolley where advertised. However, in some circumstances, for example during engineering work, we may not be able to provide refreshments on certain trains.

Automated Delay Repay

We have introduced a new Automated Delay Repay (ADR) system that drastically cuts the time it takes to claim and receive compensation if your train is late.

ADR works for all customers who have bought Advance tickets or a Touch Smartcard season ticket from our website.

If you have a Touch Smartcard season ticket, you will need to touch in and out at the beginning and end of your journey, sign up for a Delay Repay account at **delayrepay.southwesternrailway.com** and select 'Auto Delay Repay'. (The email addresses you use for 'My Account' and 'Delay Repay' must match.)

To find out more about Automated Delay Repay, visit: **southwesternrailway.com/contact-and-help/refunds-and-compensation/delay-repay/automated-delay-repay**.

Cycles on trains

The services in this timetable have limited room for cycles so we have had to apply some restrictions. The ▼ and ★ symbol, with train times printed in **blue**, show restricted trains. These restrictions are explained in the 'Guide to notes and symbols' section.

We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering works.

Blackmore Vale CRP

The **Blackmore Vale Community Rail Partnership** runs along the West of England line covering the stations of Tisbury, Gillingham, Templecombe, Sherborne, Yeovil Junction and Crewkerne. The partnership continues to cement the link between rural communities in Dorset, Somerset and Wiltshire through its ongoing work with local people, groups and businesses.

Volunteers are at the heart of our Community Rail Partnership making it a hands-on experience!

Together we are:

- Gardening and creating amazing spaces
- Holding events and improving facilities for the stations
- Promoting the stations and the region's attractive market towns and villages

Devon & Cornwall Rail Partnership

East Devon Line

We are Britain's first Rail Partnership, established in 1991, and have recently expanded to include the East Devon Line and the stations of Axminster, Honiton, Feniton, Whimble, Cranbrook and Pinhoe.

We are all about helping people get involved with the railway to make a difference in their local community and have much experience of helping make many and varied projects happen across the two counties. If you have an idea for a project you would like to do, please get in touch for a chat.

Encouraging people to use the trains, to visit the towns and villages served by the line (and those places you can easily reach by onward bus or by walking or cycling) and seeking improvements to services and facilities are all core parts of our work.

Find out more at **www.dcrp.org.uk** or contact **railpart@plymouth.ac.uk**.

South Western Railway

Changing trains

Most journeys shown in this timetable are direct trains, shown in **bold type**. However, you may be able to make other journeys or reach your destination more quickly by changing trains.

To help you find these alternative trains, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains – please check the ‘Notes’ section for an explanation of these letters.

Please allow plenty of time to change trains. At most stations you will need to allow at least five minutes. You will need longer at some stations, and this is shown in the ‘Station information’ table in this timetable. For example **ⓐ** means you should allow 10 minutes to change trains at this station.
